Salutations to Him who is red and rosy-red also.
Salutations to Him who brings happiness and
who is the Lord of all creatures,
Salutations to Him who is fierce and strikes
terror at sight into His enemies.

Salutations!...to Him who kills in front and afar
... to Him who is in form of everyone who slays,
who kills all at the time of Pralaya
... to stately trees with green tufts of leaves.
Salutations to Him who is the Pravana mantra;
Om; Salutations to Him who is the source of
happiness here and hereafter.

...to Him, who is inherently of nature to confer
happiness directly in this world and hereafter.

The Yajurveda : with glossary and index Devi Chand,1994-01-01 Description The Vedas are the foundation on which the imposing Hindu religious edifice is built The Yajurveda contains hymns taken from the older Rigveda and prose passages which are new The hymns display considerable deviation from the original Rigvedic text It can be called a priestly manual for it lays down rules for the performance of various sacrifices It has two samhitas or a collection of hymns of mantras these are Taittiriya Samhita and Vajasaneya Samhita popularly known as Black and White Yajur respectively The subject matter of both the samhitas is almost the same though the arrangement is somewhat different Of the two the Vajasaneya Samhita is planned in a more systematic and orderly manner than the other It also contains some texts which are not found in the Taittiriya Samhita This translation of Yajurveda by Devi Chand is based upon Swami Dayanand s interpretation The translator has provided references in the footnotes to the different views of other scholars To bring home to the common man the message of the Yajurveda he has spared no pains to remove all obscurities inherent in the old form of Sanskrit which was in vogue three thousand years ago The introduction and the index are added to help the reader Everyone interested in the Vedas will find this book indispensable
